# Legacy

“The limit of your world is the limit of your words,” explains Legacy Project Chair and educator Susan V. Bosak. “Literacy coupled with the big picture concept of legacy can help you determine the kind of life you *create* for yourself, the *connections* you develop with others, and the ways in which you can *change* your world.”

From our award-winning bestsellers *Dream* and *A Little Something* to our free online family activities and classroom lesson ideas to our essay contests and workshops (including teacher PD and student presentations), the Legacy Project informs and inspires you. We have three banner programs – LifeDreams, Across Generations, and Our World – that take a big picture approach to the challenges of the twenty-first century.

**WHAT'S NEW? How To Teach Literacy Like a Dream DVD** offers dozens of classroom-tested ideas for literacy as well as student goal-setting and achievement. • **Dream Discovery** K-12 student presentations with author/educator Susan V. Bosak build literacy skills while helping students set goals. ### How To Teach Literacy Like a Dream DVD

Encourage students to set and achieve life goals, and improve text and visual literacy skills.

In this cross-curricular, professional development workshop for K-12 administrators, teachers, counselors, and media specialists, Legacy Project Chair, educator and author Susan V. Bosak inspires you with practical, classroom-tested ideas.

Using her award-winning picture book *Dream: A Tale of Wonder, Wisdom & Wishes*, Susan guides participants on a 3-hour journey of discovery filled with ideas for student engagement that will support any curriculum. *Dream* has won a remarkable 11 national awards, among them an International Reading Association Children's Choice and a Teachers' Choice. Says *The Bloomsbury Review*, "Depicts the journey of life, with its hopes and dreams... Richly crafted and thoughtfully written, *Dream* is a dazzling project."

*How to Teach Literacy Like a Dream* includes an interactive reading of *Dream* and dozens of lesson ideas for bringing the book to life in the classroom in a way that's meaningful and relevant to students. The DVD covers a review of six decades of literacy research; student goal setting and motivation strategies; making learning meaningful; the power of visualization and metaphor; how to use picture books effectively in the classroom; exploring words, images, and meaning; building connections to self, others, and the world. Through text and visual literacy, students find a new lens to view possibilities for themselves and their world.

Developed in partnership with PBS/AETN. Approx 168 minutes. DVD Video. **DD01-\$260.00.**
