

1 TABLE + 1 INSPIRING SETTING + 8-14 PEOPLE + 1 QUESTION = 1 MEMORABLE DINNER

Gather with a purpose around the Legacy Table at The Cedars – think bigger and explore a topic in depth; expand your network; create a cause-centered community; build relationships with partners or donors; strengthen your team; nurture collective identity through a shared and meaningful experience.

On 100 wooded acres, The Cedars is the Legacy Project's new Idea Studio – Connect, Create, Change in a big-picture, 7-Generation context. At the heart of The Cedars, in the two-story glass-walled Natrium, is the handcrafted Legacy Table.

Choose custom or general. We can create a custom guided Dot Dinner or Lunch event on a specific topic, or you can engage around one of our big-picture topics. We connect the dots across broad themes from the economy, climate change, health to education, aging, community. We draw on the Jeffersonian Dinner and Metaperspective approaches.

MAKE TRANSFORMATIVE CONNECTIONS

\$195 to \$495 per person, includes access to the Legacy Project's 7-Generation network of trends, ideas, and insights. Events at The Cedars help support the Legacy Project's ongoing 7-Generation community intergenerational work.
